

## CANNON STREET, DEAL

<b>CLIENT:</b>	Mildvalley Developments
<b>ARCHITECT:</b>	Dudley Marsh Architects
<b>STRUCTURAL ENGINEER:</b>	S. C. Green Ltd
<b>VALUE:</b>	£3,300,000

This project has been constructed on a brownfields site, undergoing major remediation and decontamination process prior to the building works commencing.

The construction works consisted of a two storey Doctors Surgery with adjoining Community Centre serving the needs of the public in the Deal area.

Construction also included four blocks of three storey town houses containing 13no. 4 bedroom units and 3no. flats. The project also involved the infrastructure for the site including roads, services and external works.
